Riccardo is an associate in the corporate team specialising in extraordinary transactions and commercial contract law.

Primarily dealing with commercial and corporate law in the extrajudicial context, Riccardo has gained experience in various aspects of commercial law, including corporate secretarial work, M&A, private equity investments, and other crucial branches of corporate governance, such as daily operations. Throughout his professional career, he has provided assistance to a diverse range of clients, from Italian PMI to corporate groups, including international ones, covering various aspects related to their needs, from commercial lease agreements to financing.

Additionally, he has a background in judicial proceedings, having represented clients in civil matters before different Courts.
