Alex is a partner in the intellectual property and technology team.

Alex joined the firm in 2022 from Diligent, a leading governance software provider, where he spent nearly 4 years, most recently as Assistant General Counsel.

Alex specialises in commercial arrangements involving intellectual property, technology and data, including rights acquisitions and disposals, complex outsourcings, software development, portfolio structuring, licensing, procurement and services contracts, with a particular emphasis on the sports, design and innovation sectors.

Alex also has extensive experience advising a broad range of organisations on data privacy matters, including in relation to aspects of new products or services and on commercial arrangements involving personal data.

Admissions

England and Wales, 2016
