---

Mary is an associate in the private client and tax team.

She advises high net worth individuals on UK tax, cross-border estate planning and the creation of tax-efficient asset holding structures to bring their long-term succession planning goals to fruition. Mary focuses in particular on advising non-UK domiciliaries and regularly assists with the creation, restructuring and winding up of complex trust structures. Mary also advises on UK tax compliance, beneficial ownership reporting and other regulatory matters.

---
