Lucy is an associate in the white collar defence and investigations team.

Having completed her training contract at Withers and qualifying as a solicitor in October 2024, Lucy works on a variety of cases including corporate internal investigations and inquests. Lucy also has experience in working with individuals in cases involving allegations of complex fraud and money laundering as well as representing individuals who are subject to general criminal allegations, both domestic and cross border.

During her training contract she also completed seats in real estate disputes and construction, corporate tech, and employment giving her the opportunity to get a wide range of experience across all departments.
