Diletta is an associate in the corporate team in Milan.

Diletta specializes in corporate M&A and commercial law with a special focus on environmental law matters. She assists Italian and international clients during every phase of domestic and cross-border M&A transactions, investments, transfers of business and going concern, mergers, de-mergers and corporate group reorganization.

She has experience across various sectors including chemical, health care and life science, manufacturing, and TMT.

Her expertise in environmental law matters captures both the regulatory and the compliance side. In particular, she supports with remediation procedures and frequently assists clients, both buyer and seller side, seeking advice in respect of the negotiation of private agreements involving environmental liabilities and remedies.
