Abdul is a knowledge lawyer in the international arbitration and public international law team.

Abdul is a knowledge lawyer supporting the international arbitration and public international law team at Withers. He is responsible for keeping the team up to date, legal training, ensuring know-how is shared and promoting the practice.

Prior to joining Withers, Abdul spent a decade in private practice acting for a range of clients involved in cross border disputes. He has extensive experience of high-value arbitration (under various institutional rules), litigation and mediation.
