Elizabeth is a senior associate within the private client and tax team.

Her practice primarily focuses on advising executors, administrators and charity beneficiaries in relation to estate administrations. This involves complex post-death inheritance tax reporting for UK and non-UK domiciled individuals, obtaining authority from the court to deal with assets in the form of a Grant and post death administration and variations.

She also works closely with the CTS team, advising in relation to the non-contentious elements of will disputes. During her training, Elizabeth gained solid property experience focusing on rural property in particular.
