Neil is a senior associate in the corporate team.

Neil provides practical business guidance and collaborative advice to entrepreneurs, companies and investors in their business transactions and relationships with commercial and corporate partners.

Since qualifying as a lawyer in 2013, Neil has helped entrepreneurs, high-growth technology based companies and investors navigate their way through multiple rounds of financing, growth, scale-up and ultimately exit/liquidity event.

He joined the firm from JAG Shaw Baker when they merged with Withers to create a new legal offering, Withers tech, in 2018.
