Robert is an associate in the private client and tax team.

He focuses his practice on domestic and international tax matters. His experience includes advising businesses and their owners on the tax implications of their enterprise activities, choice of entity and strategic planning, and structuring tax-efficient transactions. Robert's clients include startups and emerging technology companies, public and private multi-national corporations, and high net worth individuals.

Prior to joining Withers, Robert worked at a top accounting firm providing tax consulting and compliance services.
