Andrea is a senior associate in our litigation and arbitration team.

He deals with the management of national and cross-border legal disputes, both in the pre-litigation phase as well as in the ordinary and special judicial proceedings, including ICC proceedings. He focuses on civil, corporate and commercial litigation with particular expertise on contracts, product liability claims and debt collection. He also deals with bankruptcy and insolvency proceedings.

Track record

Unlawful termination of a contract

Assisted an Italian publishing company and owner of a magazine, in arbitration proceedings based in Rome and brought against an advertising agency for the allegedly unlawful termination of the contract between the two companies for the sale of advertising spaces in the magazine.

Interim measure proceedings in relation to alleged unfair competition activity

Assisted a company active in the distribution and maintenance of hardware and software systems in an interim measure proceedings before the Court of Treviso, brought by the Italian leader TeamSystem SpA in relation to alleged unfair competition activity.

Alleged unfair competition

Assisted the retail and wholesale companies of a well-known fashion group in proceedings for alleged unfair competition brought before the Court of Milan by an Italian company which owns numerous multi-brands stores in Italy and acted as a wholesaler in Italy for various products of the fashion group we assist.

Leading Italian bank

Assisted a leading Italian bank in a dispute arising out of the provision of financial intermediary services.

Italian litigation

Assisted an Italian company in litigation proceedings which was lodged against it by an Italian joint venture in relation to the breach of a work contract entered into by and between the said joint venture, as contractor, and the US government, as principal, and in respect of which the Italian company was a subcontractor.
