Konsti is an associate in the commercial real estate team.

Konsti works in the commercial real estate department and assists with a variety of matters including property financing, landlord and tenant and large property acquisitions and disposals.

Konsti joined Withers in May 2021 and she previously worked at JMW Solicitors in London, specialising in residential real estate and in particular new build properties.

She has been a volunteer for the protection of rights of people with autism in Greece for many years and in her spare time she enjoys travelling and exercising.
