In addition to complex commercial, sports and entertainment-related litigation Amman advises on delicate personal matters in which his clients are the target of reputational attacks and smear campaigns, cyber fraud and data privacy related issues. He has represented multinational family offices, entrepreneurs and founders, a Russian billionaire, the fifth largest bank in the United States and a number of other companies and national brands.

Amman is admitted in California, as a Barrister & Solicitor in Ontario, Canada and as a Foreign Registered Solicitor in England & Wales.
