Julie is divisional operating officer for the private client and tax team in the London office.

Julie holds a Masters in Human Resource Management and is a Chartered Member of the CIPD.

Julie provides the support to enable the divisional CEO to deliver key leadership roles for the firm. Julie helps set the strategic direction of the firm's PCT operations, co-ordinates the integration of the PCT division with the firm's overall global strategy and supports the divisional CEO in respect to the business planning and financial analysis of the global division. Julie works closely with the Regional Divisional Leaders around the world and the Finance, HR and Business Development teams.
